Dear Parents, Staff and Students

Celebrating our Amazing Students

Celebrating the achievements of our students is an important element for our school and community. Students achieve so much on a daily basis but we don’t often stop and reflect on these achievements and more so, don’t acknowledge it within our community.

Each week we will be displaying a ‘Student’s Billboard’ whereby students who have demonstrated exceptional work or progress in their work will be profiled in our weekly newsletter. The Billboard will be displayed on page 2 of the Newsletter and I encourage parents to share this with our students.

I hope that as a community, seeing some of the amazing work our students produce will inspire and motivate us all, but also remind us to be proud and celebrate their achievements.

God Bless

Sacred Heart Catholic School Vision Statement

Sacred Heart Catholic School aspires to be known as a community where all students have the opportunity to flourish in an environment that empowers them to be Christ like.

Road Safety
Walking together to and from school:
Young children can learn safe pedestrian habits from you and continue these when they are old enough to travel alone.

- Plan your trip to school using pedestrian crossings wherever possible.
- Always hold your child’s hand. Children need your help to spot dangers such as vehicles coming out of driveways. They can also be easily distracted and wander into traffic.
- Drop off and pick up your child near the school gate and avoid calling them from across the road.
- Talk with your children about Stop, Look, Listen and Think every time they cross the road. STOP! -One step back from the kerb. LOOK! - For traffic to your right, left and right again. LISTEN! -For the sounds of approaching traffic. THINK! -Whether it is safe to cross.
- Teach your children to keep looking in both directions and listening for traffic, as they cross the road.
