Dear Parents, Staff and Students

Happy Father’s Day

This Sunday we celebrate a very important day of the year, Father’s Day. It is an opportunity to thank our dads for everything they have done, do and will do in the future. It is a day for us to share and acknowledge the influence they’ve had on our lives.

On Thursday Night, we held our ‘DADEMBER’ Night where our dads came along and shared in a sausage sizzle and then participated in shared activities. It was an amazing evening seeing students interacting with their dads and engaging in activities together. A big thank you to our dads for coming along and to our teachers for setting up class activities.

I would like to share this very special Father’s Day Poem that I feel captures the very nature of Father’s Day.

A dad is a person who is loving and kind
And often he knows what you have on your mind
He’s someone who listens, suggests and defends
A dad can be one of your very best friends
He’s proud of your triumphs, but when things go wrong
A dad can be patient and helpful and strong
In all that you do, a dad’s love plays a part
There’s always a place for him deep in your heart
And each year that passes, you’re even more glad
More grateful and proud just to call him your dad
Thank you Dad. Happy Father’s Day

God Bless
