This term the Year 2/3 class are going for a trip around the world! We’ve made our passports, boarded the plane and are ready to take off! Check out where we’ll be going over the next 11 weeks:

**English:**
In Writing we’ll be continuing with persuasive texts, trying to convince our teachers to go on an excursion to the country of our choice. We’ll then be writing reports about some spectacular landmarks from around the world. In Reading we’ll be learning about the 'Monitor and Fix Up' and the ‘Tune Into Interesting Words’ reading strategies, as well as continuing to practise ‘Check for Understanding’. We’ll be doing a few little mini-projects instead of our regular Show & Tell sessions this term. Thank you for your help with our ‘Where Have You Been?’ project in Week 1, we’ve learnt heaps about places we could travel to already!

**Maths:**
In Maths the Year 2s are looking at 3-digit numbers, money, 1-digit and 2-digit addition strategies and measuring with metres. The Year 3s are learning 2-digit addition and subtraction strategies, telling the time, 5 and 10 times tables, column graphs and measuring with kilograms.

**Religion:**
This term we’ll be looking at the Prayer and Eucharist Religious Education units of work. The topics are ‘Joining in the Lord’s Meal’, ‘Sharing Jesus’ Special Meal’, ‘Loving our Differences’ and ‘Speak from the Heart’.

In Art we’ll be looking at art from around the world, starting with some Egyptian collars next week. In Health we’ll be looking at the human body and how it works. We’ve also already started planning for our assembly item on the Friday of Week 4 – we hope to see you all there! As always, please come in and check out our classroom whenever you like – we always have lots of new work up to share with you.
